

	
Idealcombi A/S Noerre Allé 51, 7760 Hurup Thy Denmark 12	
EN 14351-1:2006+A1:2010	
External pedestrian doors – Product: futura plus - 28 mm glazing	
Designed for use in buildings	
Wind load:	npd
Watertightness:	npd
Height:	npd
Acoustic performance:	npd
Thermal transmittance (U-value):	
Outward opening door 1230 x 2180 mm with	
1no. standard glazing and horizontal spacer bar:	1,3**
Air permeability:	npd
Radiation properties – Solar factor: 0,72	
Radiation properties – Light transmittance : 0,80	
npd: no performance determined	

**Regarding the thermal transmittance of actual doors, please contact Idealcombi A/S cf. EN 14351-1:2006+A1:2010, Table E.2 note d.
