EN 14351-1:2006+A1:2010

External pedestrian doors – Product: **nation Energy**

Designed for use in buildings

Wind load:	npd
Watertightness:	npd
Height:	npd
Acoustic performance:	npd
Thermal transmittance (U-value):	
- Outward opening door 1230 x 2180 mm with	
2 no. standard glazings:	1,0**
Air permeability:	npd
Radiation properties – Solar factor: 0,63	
Radiation properties – Light transmittance : 0,74	

npd: no performance determined

**Regarding the thermal transmittance of actual doors, please contact Idealcombi A/S cf. EN 14351-1:2006+A1:2010, Table E.2 note d.
